TWINSPOTTING

Ramesh and Suresh, in Ramesh's house, Wembley, Middlesex, 1997

KETAKI SHETH came across a directory of 30,000 Patels soon after she moved to England in 1995. This inspired her to embark on a unique project, one that saw her photographing Patel twins from the Indian diaspora in England and from the Charotar region of Gujarat, from where most of the community come. Here is a selection of photographs from her book, *Twinspotting: Patel Twins in Britain and India*.

Twinspotting (1999)

Photographs by Ketaki Sheth

On view at Photoink till 16th October 2010
